The Facility Watch Program

The City of Mississauga has developed a community-based program to reduce vandalism and improve personal safety in our city. The Facility Watch program relies on the participation of customers, residents and City staff working together. The goal is to promote pride in our community centres, arenas, libraries and parks by asking residents to help us to improve safety and the appearance of our community.

Share, Care, Be Aware

The motto for this program is "Share, Care, Be Aware"
To share . . . by working together. To care . . . by respecting our facilities. To be aware . . . by alerting police and City staff of potential problems.

How you can help

- Clean up after your group activities, such as picnics and sports tournaments in City parks
- Remember to respect property, materials and equipment when using services or participating in programs at our community centres, libraries, arenas and parks
- Report such items as graffiti, broken glass or burnt out lights in any City facility or park
- Report vandalism such as a park bench in need of repair or a change room that has been marked up with a hockey puck
- Report suspicious behaviour such as a person peeking into parked cars
- Report activities such as consuming alcohol in a park

VANDALISM - ITS EFFECTS

Public Safety

Vandalism to public facilities and parks does jeopardize public safety.

Restoration Costs

Vandalism does increase costs to the taxpayer for facility and equipment restoration.

Public Access

Vandalism does restrict or limit the use and enjoyment of public facilities and parks which are maintained by the City for the benefit of all its residents.
